fitnext

Offre de stage - Web Developer

Paris (6 mois à partir de juillet/Septembre 2014)

Fitnext is a French startup with roots in Brittany. We have many exciting/ongoing internship possibilities open to all Telecom Bretagne students. We aim to give practical real-world startup experience with paid internships. We care about promoting health. Join us !

Don't hesitate to get in touch with us at any time and see if you might work in one of a variety of internship openings:

Ruby / Ruby on Rails / Social Media Marketing Internship
Mobile Development Internship
Ruby API integration internship / (Runkeeper, etc, (possibly Apple HealthKit and/or similar technologies)
User Experience (UX internship) Mobile and Web
Big Data Migration/Transformation Internship
Web Technology / Security-focused Internship

Also, get in touch with us if you have experience or interests in any of the following technologies: Ruby, Postgresql, Jasmine, Phonegap (Cordova), Sencha (Advanced javascript), Cassandra, Web Security, Apple HealthKit, User Experience (UX).

Work at our Paris office and telecommuting flexibility is also possible. To some degree we can cater the experience to your interests.

Fitnext has raised capital from Nestadio Capital Investment of Brittany and 3T Capital funds. It is supported by Telecom Bretagne Incubator.

For more information on joining our team while gaining valuable startup experience and a paid internship, send us your CV (including the period of time for your internship, and your interest areas) at: recrutement+TBinternship@fitnext.com
